At Holy Trinity Primary School we believe children have their own individual needs that are met by the classroom teacher. In some cases special programmes are provided for the children. These include:

**Reading Recovery**
Reading Recovery is an individual programme where a specially trained teacher works with a child who may find it hard to read and write. The programme helps this student become a successful reader and writer within a short time through intensive individual instruction.

**Best Start Assessment**
This programme aims to help teachers identify and provide support for students before they start School. Each Kinder child has a 1 hour session one to one with their class teacher in the week before starting school. From this meeting, the teacher can base an education program to suit the child’s individual needs.

**Teaching and Learning**
At Holy Trinity, we aim to cater for each child’s individual learning needs within the classroom. Intensive extension and small group skill based teaching sessions are held to support and enrich the learning that occurs in classrooms. Extra support is provided for students who find the curriculum challenging.

Our School

West Wagga Holy Trinity was established as an Infants School in 1970 to serve the Parish of West Wagga and the suburb of Ashmont. Holy Trinity School West Wagga is one of 27 Catholic Primary and 5 Catholic Secondary Colleges that form the System of Schools serving the Diocese of Wagga Wagga. West Wagga includes Ashmont, Collingullie, Flowerdale, Glenfield, Kapooka & Lloyd. Our present enrolment of 240 children has the advantage of creating a climate that is vibrant and dynamic and also a personalised and caring place to grow and learn. As this area has grown with new development in Lloyd and Glenfield so has our school. Holy Trinity exists to serve the Parish of West Wagga and supports our families in their prime role of educating their children in the Catholic faith.

The School Today

Holy Trinity is a co-educational Catholic School providing quality education to Catholic and non-Catholic children from West Wagga and districts. Holy Trinity is a Learning Community functioning under our Vision Statement and in the belief that children need support and challenge for learning to take place. The relationships developed between staff and students form the foundations to our approach to teaching and discipline. Holy Trinity is an exciting school with students achieving outstanding results in academic, cultural and sporting pursuits.
